BARE-ROOT TREE PRICE LIST 2012-13

*** Our main supplier grows over 200 varieties so we are able to source a very wide range of sizes and varieties.

*** We regularly source and supply trees up to 16-18cm girth which can be rootballed or in root control bags.

*** We buy-to-order policy - this usually involves a lead time of 10-14 days from time of order.

*** All prices are exclusive of VAT and are ex-nursery.

*** The right is reserved to change these prices without prior notice.
