VIBURNUM opulus (<i>Guelder Rose</i>)	60-80	£1.50	£1.35	£1.20	£1.05	£0.90

We recommend that all native hedging plants are spaced at five per metre (39") in a double staggered row. If a thinner or cheaper hedge is required, plant three per metre in a single row. All should be planted in trenches minimum 30cm (12") deep with organic material and bonemeal added.

Buxus are best planted at 5 per metre in a single row
