FIELD-GROWN TREE PRICE LIST 2017-18

Our main supplier grows over 200 varieties so we are able to source a very wide range of sizes and varieties.

If there are trees you want that are not listed, please contact us for a quote.

Trees not listed as 200-250cm tall are measured by trunk girth.

The girth is measured in cm one metre above ground level.

We hold stock of a range of trees which are 6-8cm girth

We operate a buy-to-order policy - this usually involves a lead time of 10-14 days from time of order.

All prices are exclusive of VAT and are ex-nursery.

The right is reserved to change these prices without prior notice.
